The accreditation of media representatives is decided by the agency n plus sport GmbH or third parties commissioned by the agency. **Filling out the form does not guarantee a confirmed accreditation.** If you do not receive an explicit confirmation of accreditation, we are unfortunately unable to follow your request. Since we do not grant accreditations on a first-come-first-serve basis, all requests will be processed collectively by the deadline. We will let you know as early as possible, usually about 1 week before the event, whether we were able to follow your request.

Due to the setting of the event and the local conditions (shooting range, use of firearms etc.) certain areas are only accessible to a limited extent. On site there is a zoning system which must be observed. The access areas are controlled by security. By signing this accreditation form you confirm that you are aware of and comply with these regulations on site. Media representatives will receive a personalized accreditation card with photo. The photos will be taken on site. **Accreditation badges can be collected on Saturday, 14 September from 3-8 p.m. and on Sunday, 15 September from 10 a.m.-12 p.m. at the Heinz Steyer Stadium (main entrance).**
